

Making Connections

Name _____ Block _____

Text: _____

Detail from the text	Connection	What it might add to my understanding	Insight or dead end?
<i>Grandfather has short-term memory loss</i>	<i>I used to babysit for a family and the grandmother had Alzheimer's and forgot everything, even her own family.</i>	<i>Maybe the grandfather has Alzheimer's too and will eventually forget who his grandson is, which would be really sad</i>	<i>Insight</i>
