

What is required in a journal entry?

- Student read the chapter—**accurate summary** explaining what the chapter is about and with important names and key words
- Student was able to identify the **central idea** - the purpose of the chapter, the “so what?” of the chapter
- Student explained his/her **biggest thinking about the reading**
- Student gave **text evidence**, examples that support the central idea and the response to the text (3)

Can be done:

- ♦ In your notebook
- ♦ On loose leaf paper
- ♦ In Notability
