

Levels of Questions Analogy Assignment:

Create a visual analogy (comparison) to teach others the 3 levels of questioning.

- Must explain each level of questioning (use your notes) - DON'T explain the picture!!
- Must show the increasing level of thinking required
- Must have **color**
- Must also have **pictures and/or symbols**
- Use paper or **Notability**

Example:

Food Analogy:

Level 1 questions are ...

Level 2 questions are ...

Level 3 questions are...

Use your notes to explain each level of questions: what are those types of questions?

Don't have the notes? Look it up under Daily Agenda, October 2nd & 3rd on my website: allthingsliterate.weebly.com.
